Goshen Center for
Cancer Care

Cutting-edge. Comprehensive. Collaborative care.

When you refer a patient to the Goshen Center for Cancer Care, you can rest assured that they will be cared for by a multidisciplinary team that includes fellowship trained medical, surgical and radiation oncologists; palliative care physicians; oncology nurses; naturopathic doctors; mind-body counselors and dietitians. Together, the care team considers all aspects of the patient's life and disease to provide the best possible treatment.

Your Cancer Care Team

We have a dedicated team of oncologists and cancer care specialists committed to delivering the best possible care you'll find anywhere. From initial diagnosis to recovery and beyond – we're all in this together.

Clinic Hours

Clinic Hours: Monday – Friday, 8:30 a.m. – 4:30 p.m.

Goshen Heart &
Vascular Center

We work as a team to provide award-winning heart attack care while emphasizing prevention and healing. Our facilities are top-of-the-line—supporting our expert cardiologists, radiologists and surgeons in their minimally invasive procedures to restore blood flow throughout the body and help restore circulation to at-risk limbs.

Heart & Vascular Team

Our dedicated cardiologists work with electrophysiologists, radiologists, nurse practitioners, pulmonologists and surgeons to meet the needs of heart and vascular patients. Our multidisciplinary approach translates into regular daily and weekly group consultations, as well as an open office work environment.

Goshen Wound Center

Our multidisciplinary, integrated approach at Goshen Wound & Hyperbaric Center offers patients a team of specially trained doctors, nurses and technicians. For patients suffering from diabetic, neuropathic or pressure ulcers, venous insufficiency, traumatic wounds, surgical wounds, vasculitis, burns or any other chronic, non-healing wound – we can help. At Goshen Wound & Hyperbaric Center, we treat a wide range of wounds associated with complications from diabetes, vascular disorders and trauma.

Wound Care

Our wound care doctors, nurses and technicians are specially trained in the latest treatments and technology available.
