

14TH ANNUAL

# Middlebury Walks for a Cure

## MISSION:

I walk in memory of those we've lost.

I walk in honor of those fighting.

I walk so our children will not have to.

## 2018 SPONSORSHIP FORM

Middlebury Walks for a Cure began in 2005, organized by Middlebury resident Nean Smith, as a way to unify our community around healthy habits and cancer survivorship. For 2018 our goal is to encourage even greater support for local cancer patients served by Goshen Health and Cancer Resources for Elkhart County. Thus we are seeking lead partners and/or sponsors that might provide financial support, promotional support, as well as participation teams for the event itself.

Company Name \_\_\_\_\_

Contact Name \_\_\_\_\_ Phone No. \_\_\_\_\_
