Biography

T. Anthony Pechin, MD, is a board certified family practice physician with Goshen Physicians Family Medicine Shipshewana. For over 25 years, Dr. Pechin has provided medical care for all members of the family, from newborn to the elderly. He treats all types of acute illnesses and chronic conditions, including high blood pressure, heart disease and diabetes. He also performs minor surgeries and procedures in his office, including vasectomies and circumcisions, as well as treatment for minor wounds, fractures and skin conditions. Many patients know Dr. Pechin for his service as the head of the LaGrange County Health Offices and as medical director of the Life Care Center in LaGrange, IN. In his free time, Dr. Pechin enjoys playing the guitar and spending time with his two sons and grandchildren.

Philosophy of Care

Dr. Pechin offers a listening ear or kind word for all his patients. His patients appreciate his caring and his sense of humor, as well as his extensive medical experience.
