About Me

Dr. Walter D. Anglemeyer has been in family practice since he opened the Anglemeyer Family Practice Clinic in 1980. He is now a family medicine physician at Goshen Physicians Osteopathic Family Clinic Nappanee. Dr. Anglemeyer is completely dedicated to his patients and supports a patient-focused, holistic approach to their treatment. He believes in building close provider-patient relationships by taking the time to listen to and understand the concerns of his patients and their families during their treatment.

He and the physicians on his team are board certified in family medicine and specialize in pediatrics, geriatrics, orthopedics, minor surgery and osteopathic manipulations.

Philosophy of Care

Dr. Anglemeyer is focused on the total health of his patients. He combines traditional medical practices with modern technology to offer a wide range of options and approaches in providing the highest quality of care to his patients.

Research/Clinical Interest

- Comprehensive primary care
- Gynecological care, including colposcopy, cryotherapy osteopathic and manipulation therapy
- Minor surgeries
- Fracture care
