About Me

Amy Pointon, MSN, RN, CNS, FNP-BC, is a board certified family nurse practitioner at Goshen Physicians Gastroenterology. Starting out as an adult clinical nurse specialist with specialized training in diabetes management, Amy continued her education to become a board certified family nurse practitioner.

Philosophy of Care

Amy strives to offer a holistic approach to individualized patient care, encouraging her patients to be a part of the medical decision-making process in order to meet their unique healthcare needs. She believes education is an integral part of overall healthcare and pursues every opportunity she can to facilitate learning and provider-patient collaboration.
