About Me

Edith Fraire is a certified nurse practitioner at Goshen Physicians Family Medicine Elkhart. She provides holistic, compassionate care to patients of all ages. Her comprehensive approach ranges from preventative care and health maintenance to management of chronic conditions.

Edith applies her bilingual skills to provide culturally sensitive care and bridge communication barriers between patients and healthcare providers.

Family and her two pugs mean everything to Edith. She also enjoys staying physically active and loves to eat good food.

Philosophy of Care

Edith believes each patient is unique and respects their individual goals for health and wellbeing. Her patient-centered approach encourages patients to take control of their health and maintain the best possible quality of life.
