**Specialty:** Endocrinology

✔ Welcoming new patients

### GOSHEN PHYSICIANS ENDOCRINOLOGY

2012 S Main St, Ste C, Goshen, IN 46526 [Directions](#)

574-537-1221

### About Me

Dr. Lily Kwatampora is a board certified endocrinologist with Goshen Physicians Endocrinology. She specializes in treating patients with diabetes, thyroid diseases and other endocrine system disorders.

When away from clinical practice, Dr. Kwatampora enjoys spending time with her family outdoors, gardening and creating visual arts.

### Philosophy of Care

Dr. Kwatampora treats each patient with respect and thoughtful consideration for their individual health concerns. Her approach to care is based on a strong belief in helping patients understand how their condition impacts their overall well-being. Through patient education and shared decision-making, she empowers her patients to make an intentional choice to improve their health.
