Biography

Sreenivas Kamath, MD, FACC, FSCAI, is a board certified cardiologist with Goshen Heart & Vascular Center. He is fellowship trained in cardiovascular medicine and interventional cardiology.

Dr. Kamath specializes in nonsurgical techniques to diagnose and treat coronary artery disease, vascular disease, structural heart disease and congenital heart defects. He focuses on catheter-based procedures to repair damaged or weakened vessels, narrowed arteries or other affected parts of the heart.

As clinical assistant professor at the Michigan State University (Lansing) and Western Michigan University Homer Stryker School of Medicine (Kalamazoo), Dr. Kamath has helped advance the education of future leaders in cardiology.

Philosophy of Care

Scientific evidence guides Dr. Kamath's approach to care. He is dedicated to prompt evaluation and treatment of patients suffering from heart failure or heart attack.
