Biography

At Goshen Hospital, specially trained doctors and nurse practitioners who are called hospitalists are here to care for you when a hospital stay is needed.

Philosophy of Care

Cindy Okolo, board certified family nurse practitioner, has worked as an advanced nurse practitioner since 2017. She is committed to providing holistic care with care and compassion. She listens to each patient to develop a tailor-made plan of care based on their needs so patients feel more ownership and involvement in following through.

Cindy is interested in preventive care; cardiac and infectious disease treatment and management; and disease process education.
