Biography

Kristin Abbs is a double board certified nurse practitioner with Goshen Physicians Urology. Her board certifications are from American Nurses Credentialing Center and American Academy of Nurse Practitioners. She diagnoses and treats adults and children with disorders of the urinary tract system and male reproductive organs. Her patient-centered approach focuses on disease prevention and educating patients about the health of their kidneys, bladder and prostate.

Living on Lake Syracuse gives Kristin plenty of family time with her husband and three sons. She enjoys outdoor activities, including paddle boarding, boating, trail walking and landscaping. Kristin also is a year-round fan of the Green Bay Packers.

Philosophy of Care

A genuine interest in each patient's needs guides Kristin's approach to care. She builds a trusting relationship through open communication, respect, honesty and compassion. Kristin encourages patients to take an active role in their health and make informed decisions about a plan of care that is right for their perspective and goals.
