Biography

Bethany Swope, MS Ed, LMFT, is a licensed therapist who provides mind-body counseling support to patients and their family members during cancer treatment. As part of the Integrative Care Team at Goshen Center for Cancer Care, Bethany works in collaboration with other counselors, naturopathic care providers and dietitians to provide support programs for patients, their family members and caregivers.

Philosophy of Care

As a mind-body counselor, Bethany focuses on the whole person, recognizing that a person's emotional, mental, social and spiritual well-being can impact his or her overall health. She is committed to helping patients and their family members to learn strategies to minimize stress, cope in healthy ways, and improve the quality of their lives.
