About Me

Brian King, MD, is a board certified primary care physician who practices general medicine at Goshen Physicians Family Medicine Professional Park. He is dedicated to improving the health of our community by providing expert medical care for people of all ages. Dr. King has been practicing family medicine for more than 30 years. He has treated several generations of families in Goshen and surrounding areas and is well prepared to care for his patients.

Philosophy of Care

Dr. King believes that quality health care involves determining how all aspects of a person's life impact his or her health. He approaches each patient with deep personal commitment, building a relationship based on compassion and honesty that helps him provide everyone with the best possible care. Dr. King uses the latest medical advancements to ensure that his patients and their families have convenient access to a wide spectrum of comprehensive medical services, all backed by the full support of Goshen Health.
