About Me

Catherine dos Santos is a certified family nurse practitioner at Goshen Physicians Family Medicine Elkhart. She cares for patients throughout the life cycle, from infancy and adolescence to adulthood and later years of life. In addition to providing routine preventive care and wellness exams, Catherine treats patients with common illness, such as colds, flu and ear infections, as well as minor injuries. She also helps patients manage chronic conditions, including diabetes, heart disease and high blood pressure.

Philosophy of Care

Catherine is dedicated to providing continuity of care for the entire family. Her compassionate approach helps form strong patient-provider relationships that last a lifetime. Through patient education, she encourages patients to take an active role in their health and wellbeing to enhance their quality of life.
