Biography

Bo Coody, MSN, FNP-BC, is a board certified family nurse practitioner at Goshen Center for Cancer Care. As part of the radiation oncology team, he takes care of patients undergoing radiation therapy. He helps patients manage symptoms related to their treatment and provides follow-up care after they complete treatment. Prior to earning his master's degree, Bo served in the military and received an honorable discharge from the United States Army.

Philosophy of Care

Bo holds a strong belief in an integrated approach to cancer care. He also believes that cancer care goes beyond technical treatment. Bo works side-by-side with a compassionate team of cancer care experts who respond to individual needs and concerns of patients.
