Biography

James Frimpong, MD, FACOG, is a board certified OB/GYN at Goshen Physicians OB/GYN. Provides comprehensive obstetric and gynecological care to women of all ages. Dr. Frimpong has advanced training in minimally invasive procedures for the treatment of women with diseases and disorders of the reproductive system. Away from his medical practice, Dr. Frimpong plays soccer and ping pong. He also enjoys current affairs and world politics.

Philosophy of Care

Dr. Frimpong focuses on treating each patient with compassion, concern and understanding. His approach to care respects each woman's experience as unique. In addition, he understands that helping women manage their health is a private and sensitive matter. Dr. Frimpong believes pregnancy and childbirth are special events in the lives of women and their families.
