Biography

Tricia Foster is a board-certified family medicine physician at Goshen Physicians Family Medicine Nappanee. Provides medical care to adults and children of all ages in the Wakarusa and Nappanee communities. His holistic approach focuses on preventive care and treatment of chronic illnesses and injuries for the entire family.

Prior to joining Goshen Physicians, Dr. Foster served as the Medical and Physician Director of the Center for Occupational Health in Bremen. Treated work-related injuries, provided pre-employment physicals, and reviewed lab results for workers and employers. Dr. Foster also practiced family medicine and occupational health in Wakarusa, Indiana for 10 years as a physician at Waterford Street Family Medicine.

Philosophy of Care

Respect and compassion define Dr. Foster's approach to care. She treats patients as she would like to be treated. Always ready to listen, Dr. Foster builds strong patient-provider relationships that last a lifetime.
