About Me

Dr. Sharrell Gibson is a board certified obstetrician and gynecologist with Goshen Physicians OB/GYN. She cares for patients from adolescence through their post-menopausal years. Dr. Gibson is specially trained in minimally invasive surgery, including laparoscopic procedures.

When Dr. Gibson is away from her medical practice, she enjoys outdoor sports, including tennis, biking, hiking and water sports.

Philosophy of Care

Compassionate care comes naturally to Dr. Gibson, since she loves her work and her patients. She considers herself privileged to care for patients throughout the transitions of womanhood – empowering them to feel happier with themselves and their personal lives.
