Biography

Falon Kuhn is a certified family nurse practitioner with Goshen Physicians Family Medicine Syracuse. She provides primary care across the lifespan, from newborns and adolescents to adults and seniors. In addition to wellness exams and physicals, Falon helps patients manage chronic conditions including high blood pressure, high cholesterol and diabetes.

Philosophy of Care

Falon believes the family is at the heart of a primary care clinic. It's a place to build lifelong relationships to meet the healthcare needs of the whole family. Falon also considers education essential for true holistic health and well-being.
