Biography

Dr. Alfred J. Schlorke is a board certified family medicine physician at Goshen Physicians Family Medicine Nappanee. He offers a full range of care from general medical to gynecological, pediatric and geriatric services. He strives to help his patients be truly healthy in mind, body and spirit. With his extensive experience in osteopathic family medicine, he is able to treat the entire patient in a holistic way.

Philosophy of Care

Dr. Schlorke emphasizes the importance of taking time to sit down with each patient face to face and to gain an understanding of his or her situation and to assess what each patient's needs are. Dr. Schlorke believes that each person tells his or her own story. He is trained to listen and partner with his patients to help them get well and stay healthy. He does this by combining his knowledge of the latest advances in medical technology and offering his patients comprehensive care.
