Biography

Neelam Patel, MD, is a physician specializing in family practice at Goshen Physicians Family Medicine Middlebury. He sees all ages of patients from newborns to senior citizens and treats all medical problems. Dr. Patel began working with Goshen Physicians in 2004.

Philosophy of Care

Dr. Patel strives to be a compassionate and caring physician who addresses his patients' medical and emotional issues. He takes time with his patients, providing the same level of care he would want for himself and his family. His passion in practicing medicine is driven by the lifelong relationships he builds with his patients and the fulfillment he derives from keeping them healthy.
