## About

### BIOGRAPHY

Brianna Latisnere-Blosser is a certified physician assistant at Gerig Surgical Associates. She provides continuity of care for patients before, during and after general surgical procedures. As an integral part of the surgery team, Brianna assists surgeons in all types of procedures, including minimally invasive and nonsurgical therapies, robotic surgeries and wound care.

Brianna grew up in the Goshen area and welcomes every opportunity to support others in her community. She is an avid baseball fan and shares her family's love for the Chicago Cubs.

### PHILOSOPHY OF CARE

For Brianna, every patient deserves a listening ear and respect for personal values and preferences. She helps patients understand their health needs and encourages them to take an active role in treatment decisions.
