About

BIOGRAPHY

Jillian Kimp is a board certified family nurse practitioner with Goshen Physicians Neurology. She manages care for patients with a wide range of neurological disorders, helping them navigate complex conditions with clarity and confidence.

Jillian brings more than a decade of experience at Goshen Health, including roles in oncology clinical trials and research, oncology nursing, float pool and hospice care to her role at NeuroCare Center Goshen Physicians. She also holds a master's degree and certification in nursing informatics, which enhances her ability to integrate technology and data into personalized patient care.

Her clinical interests include neurological disorders and patient education. Jillian is passionate about helping patients understand their conditions and make informed decisions about their health.

Outside of work, Jillian enjoys hiking and outdoor activities with her husband and son, as well as cross-stitching and spending time with animals.

PHILOSOPHY OF CARE

Jillian believes in a tailored approach to care, grounded in each patient's understanding and goals. She strives to be a good listener and help patients take an active role in their health care.
