About

BIOGRAPHY

Dr. Madeline Vandecappelle is a board certified family medicine physician at Goshen Physicians Family Medicine Middlebury. She provides a full spectrum of care to patients of all ages with a focus on preventive care and management of chronic diseases. In-office procedures she offers include family planning, joint injections and minor surgeries.

Family time comes first for Dr. Vandecappelle when she is away from her medical practice. Her crew shares her passion for all things Midwestern and enjoys exploring local restaurants and shops. From September to December, the holidays fill Dr. Vandecappelle with joy and give her plenty of reasons to indulge in favorite home cooking and baking traditions.

PHILOSOPHY OF CARE

Family medicine gives Dr. Vandecappelle a chance to grow with patients and care for them through every stage of life. She enjoys getting to know patients on an individual level and works with them to build a custom care plan that fits their preferences and needs.
