About

BIOGRAPHY

Dr. Savita Collins is a board certified specialist in ear, nose and throat medicine with Goshen Physicians ENT, Speech & Audiology. She diagnoses and treats patients of all ages with head and neck disorders.

Dr. Collins is fellowship trained in laryngology, advancing her medical expertise in treating voice, throat and swallowing disorders. She also cares for patients with thyroid diseases, sinus and nasal issues, head and neck cancers and sleep disorders. Dr. Collins was the first surgeon in this area to perform the Inspire sleep apnea implant surgery.

Dedicated to educating future leaders in clinical medicine, Dr. Collins served seven years on faculty at the University of Florida. She also is on the faculty at Indiana School of Medicine and Indiana University South Bend.

When Dr. Collins is away from medical practice, she devotes time to her family and community activities with her church. Her favorite pastimes range from yoga, cooking and reading to knitting and stained glass.

PHILOSOPHY OF CARE

Dr. Collins believes listening is the most important diagnostic tool for doctors. She works closely with a team of providers to offer treatment options that meet each patient's preferences and needs.
