## About

### BIOGRAPHY

Taylor Torres is a board certified family nurse practitioner at Goshen Retreat Women's Health Center. She provides breast cancer screenings and surveillance care for patients with a history of breast cancer. Taylor is passionate about supporting individuals with breast health concerns and takes a holistic approach that emphasizes prevention, wellness and patient empowerment.

Her clinical interests include women's health, primary prevention and naturopathic care. She has conducted research on topics ranging from implementing domestic violence screenings to using aromatherapy for managing chemotherapy side effects, reflecting her commitment to evidence-based, patient-centered care.

Outside of work, Taylor enjoys spending time with her family and friends, practicing yoga and Pilates and living a balanced, wellness-focused lifestyle.

### PHILOSOPHY OF CARE

Taylor believes the best patient outcomes stem from genuine relationships built on trust and open communication. She listens attentively and advocates for her patients, ensuring they feel heard and supported. Her care philosophy centers on patient-driven approaches that honor autonomy and promote overall well-being.
