About

BIOGRAPHY

Teneesa Stuckey is a board certified women's health nurse practitioner with Goshen Physicians OB/GYN. She provides a continuity of health care for patients through all transitions of life, from adolescence and reproductive years to menopause and beyond.

Teneesa has dedicated her nursing practice to women's health care. Her clinical experience ranges from labor, delivery and postpartum care to management of nursing services and patient care.

When Teneesa is away from clinical practice, she enjoys spending time with her family. She also is an avid reader and always ready for a new travel adventure.

PHILOSOPHY OF CARE

Teneesa is passionate about empowering women to make informed healthcare decisions that are right for them. She forms intentional relationships with patients by listening carefully to their concerns, educating them on their health and well-being, and supporting them in a shared decision-making process.
