About

BIOGRAPHY

Urs von Holzen is dedicated to fighting cancer as a surgical and thoracic oncologist. He is fellowship trained in surgical oncology and thoracic surgery. Dr. von Holzen specializes in minimally invasive techniques to remove cancer. In addition, he serves as the medical director for Goshen Center for Cancer Care.

PHILOSOPHY OF CARE

Dr. von Holzen brings a tireless commitment to offering daily hope to patients with cancer, as well as cancer survivors and caregivers. He is committed to offering each patient unique, personal and customized care. As part of a multidisciplinary cancer care team, he ensures that patients receive treatment that fits their needs and maintains their quality of life.
