

Goshen Health

Educational Program Expectations

Thank you for requesting an educational program from Goshen Health. We are pleased to provide this service for your school.

In order to assure a positive, successful experience for both your students and our Colleagues, we ask for your support with the following educational program expectations:

Goshen Health Colleagues will:

- Arrive on time
- Be prepared with all materials needed for the program
- Represent Goshen Health in a professional manner
- Be knowledgeable about the topic
- Be engaging, welcoming, friendly and kind
- Clean up and take all leftover materials

We ask that you help your students:

- Be ready to learn
- Listen attentively
- Show respect to the guest speaker and their classmates
- Adhere to classroom rules
- Raise their hand before answering a question

We ask that you stay in the classroom for the entire lesson time and promptly address student behavior issues.

We look forward to working with you and your students!
