

FREE Weekend Meals

Goshen Health is partnering with Cultivate Food Rescue to provide a limited number of free bags containing 6 frozen meals.

- Bags will be given out on a first come, first serve basis until gone.
- Food should be removed from the plastic sack and put in the freezer at home.
- Meals may include products containing peanuts, wheat, milk, or other common food allergens. The parent/guardian/caregiver is responsible for making sure that the items are appropriate for family members to eat.
- There is no cost to participate in this program.

A special thank you to GoDance Studio in Goshen for the generous use of their space for distributing these meals to the community!
