

Goshen Hospital

MISSION

In complementing the mission of Goshen Hospital, volunteers directly affect patients by adding a “personal touch” to their care, giving compassionate guidance to families, providing ancillary services to staff and promoting the hospital’s excellence in the community.

VALUES

COMPASSION and kindness will be the foundation of our care.

ACCOUNTABILITY by being dependable and responsible for commitments we make.

RESPECT for all individuals by treating others better than we wish to be treated.

EXCELLENCE continually, in all we do.
